5. Listing Details Page

The screenshot shows a listing for a product. At the top, there's a placeholder for a product image with arrows to navigate between images. Below the image area, it says "1/3". To the right of the image, the seller's name is "bwv1" and the price is "\$3.98". A "Good" condition rating is shown in a box. Underneath the price, there's a category "Textbooks" and a timestamp "Posted Nov 24, 2025". The description field contains the text "hnovifeb ovb". Below the description, it says "Seller - Campus Student" and has a "Contact Seller" button. At the bottom right, there's a "Report Listing" link.

6. Chatbot Page

The screenshot shows a conversation with the AI Shopping Assistant. The user asks for laptops under \$400, and the AI responds by searching current listings. It finds three laptops and offers to show details. The user agrees, and the AI lists the options: 1. Dell Laptop - \$350 (Good condition), 2. HP Laptop - \$375 (Like New), and 3. Lenovo ThinkPad - \$390 (Good condition). The AI asks if the user wants more details. The interface includes a message input field and a "Send" button.

12. Admin Approve/Reject Listing Page

Title:

Laptop for Sale

Price:

\$350

Condition:

Good

Seller:

John Smith

Report Reason:

This listing contains misleading information about the product condition. The seller claims it is in good condition but other students have reported that the laptop has significant damage.
